The Lands Between are composed of two spheres: the northern lands of Tali Delenda Est and the southern lands of Aellodius. The two worlds are separated by a canyon that has created the isolation of these lands. This age of chaos has been an ongoing conflict between the two lands. Tali Delenda Est, the northern lands, are in a state of collapse and are inhabited by a group of barbaric tribes who have become fearsome monsters as a result of chaos and isolation. Tali Delenda Est's people — the Tali — have been beset with a mysterious group of people known as the "Northern Alliance" who are attacking them. Aellodius, the southern lands, are in the midst of an age of prosperity. The kingdom has secured its borders and is protected by an imperial army. However, due to the emperor's reduced power, many of the plans and ideas of the empire have been neglected, and the empire's people have grown out of touch with the state. As the two worlds are connected by the Lifestream, the Lifestream is the source of the chaos that has engulfed both lands, and yet, its energy still flows through them. While Tali Delenda Est has been completely separated from Aellodius, Aellodius is isolated from Tali Delenda Est, creating a dangerous situation in which the two worlds are completely separate. Update v1.1.1 will be the first major area unlock for new and returning players. Pending content to add include the Power Elf Arena and the Burning Warrior. That all being said, not many updates is why the price. Thank you to all who have continued to support the Twitch partnership with the divinity. Many of you have said your support for the project for many years, and who understood and celebrated my decal work with COD4 and Undead: Army of the Dead. The Divinity team is very grateful! At present, the CO\$ is a private beta for the initial offer, in general balance and level I suggest to 15. The new high divinity divans will be between 8 and 10. Thus, I would highly recommend CO\$ players a familiarization with the work and the equipment before indulging into Chaos. Thank you! With gratitude and respect. It. For.
